Lickingana

A PUBLICATION
OF THE LICKING COUNTY
HIGH SCHOOL STUDENT COUNCIL

Vol. XI

No. III

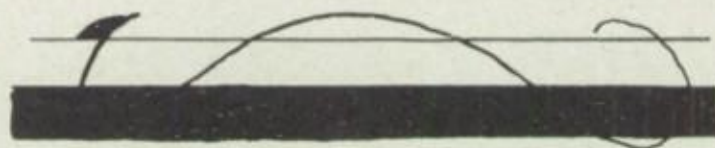

Sylvanus

DEDICATION

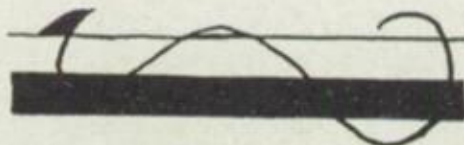

Honor - one of the prime requisites of good students, good citizens, and good Americans!

The Staff of the Lickingana is very proud to dedicate this first edition of the annual, in the new world of peace, to the Licking High School Honor Society. We know that the members of this organization will be leaders in upholding the modern ideals of honor long after they have left school.

SUMMIT

This is Station SHS bringing you news and notes on Summit High activities. Our new teachers are Mr. Cobb, superintendent; Mr. Kohler, principal; and Mrs. Woodruff, commercial. Our capable faculty, with the cooperation of the students, has set up a new standard of scholarship.

A series of Lyceum Lectures has been given in behalf of our athletic groups. The proceeds will be used to improve our sports equipment. We did not win honors in sports this year, but we did create character and sportsmanship.

At a number of assemblies our Girls' Glee Club and the Choir exhibited their musical talents. Alexandria presented an assembly program at Summit on March 13, and in exchange we gave a similar program at Granville on April 22. Our Music Department also performed for P.T.A. throughout the year.

Summit was well-represented at the Annual Spring Festival with 11 members in the All-County Chorus and 2 members in the All-County Band.

The main event of the year, according to the Freshman Class, was their initiation ceremony, October 12, ably conducted by the Seniors. Such tests of a student's bravery and fortitude had never before been encountered until that night. They also had

several entertaining class parties.

The football homecoming dance on November 1, sponsored by the Sophomore Class, was the highlight of the term for them; the queen and her attendants were presented at intermission.

The first of several successful dances, was sponsored by the Junior Class on October 4. Their play, CAMPUS QUARANTINE, a riot of laughs and funny situations, presented on November 17, was their crowning achievement. They also entertained the Seniors grandly at the annual Jr.-Sr. Banquet on April 27.

On January 16, the Seniors took their annual trip to Columbus to have class pictures taken. They saw many interesting and historical sights, often missed on just a casual trip.

Finally on March 16, the Seniors, masters of theatrical art, threw their dignity to the winds and presented a mystery-comedy, THE HAUNTED HIGH SCHOOL, a play full of nerve-tingling thrills and spine-tingling chills.

On May 12 solemnity prevailed at our Baccalaureate Service and on May 17, the Seniors, looking most decorous in their caps and gowns, bade us goodbye at Commencement Exercises.

This is Station SHS telling you to tune in again next year---same time, same place.

JACKSONTOWN

Dear Fellow Students,

We came back to Jacktown Hi on Sept. 4th. A new supt., prin., and home ec. teacher greeted us. (We welcomed a new music-commercial teacher in November.)

Our football team (under Coach Robert Hull) practiced on the field and commenced to show their enthusiasm by winning all of our games and capturing the 6-Man Championship title. We played Kirk, Etna and Alex here and visited H-T, Homer and Summit. A Banquet was held for the boys Nov. 30 in the school building.

The girls are determined to show their patriotism for the school by earning a "J". They were organized in 1942 as the Girls' Recreation Association and are still active. The older members initiated some new recruits in Oct. They took turns serving refreshments, furnishing entertainment and being guests for their monthly meetings.

After examining and rating the work of English students, the teachers announced the Bulletin Staff.

Parties still rate high and the Sophomores started the idea rolling by having an enjoyable weiner roast in an indoor fireplace when the rain chased them from an outdoor site. Not to be outdone by the other classes, the Seniors went to Ye Olde Mill at Utica for a weiner roast and skating party. A few tried some floor-cleaning antics but as a whole everyone rated an "A" for ability. The eighth graders still prefer a picnic party and had one at the Harbor Hills Clubhouse. The band sponsored a box social in the gym to raise funds for additional instruments. We had our annual Hallowe'en Carnival October 31.

We enjoyed a memorable Armistice Day assembly with our Prin. Mr. Kinner (Lt. in World War I) and Russell Prince (Sgt. in World War II) explaining their interpretation of the American flag.

Hanover-Toboso presented an enjoyable program for our school.

The Jr. class presented, "Act Your Age" Dec. 7 at 8:00 P. M.

Our basketball team played St. Francis, Alex, Utica, Granville, H-T, Hebron and Hartford here. They visited Etna, Hebron, Kirk, St. Francis and Utica.

Mr. Kinner and the Sr. class journeyed to Columbus Oct. 26 for the camera-breaking trip. After this they visited the Pen and the AIU Tower.

Everyone loves vacations from school. We were dismissed for a LCT meeting, Thanksgiving, Christmas, Washington's Birthday and Good Friday.

The General Business class began a school bank in November.

The Junior class rings arrived in January.

Our Bulletin Editor was appointed to serve as assistant editor of the Lickingana.

The Bulletin Staff decided to change our school paper from a weekly to a monthly publication.

The Diphtheria Immunization was given pupils in grades 1-6.

The various classes and organizations had their pictures taken February 8.

The music groups presented a musicale March 8.

We presented a musical program at Utica High School in March.

The Junior-Senior Banquet was held April 12.

The Senior class presented their play in May.

Student Council members this year were Harold Shaw (Sr.) and Harold Eagle (Jr.).

Elizabeth Deck, Ellen Gorley and Robert Prince (Srs.) and Marjorie Jones (Jr.) represented our school in the Honor Society.

Our cheerleaders were Elizabeth Deck (Sr.), Ruby Lane (Soph.), Carol Griffith and Bonnie Mitchell (Fr.).

Baccalaureate, May 19 and Commencement, May 21 ended the Srs. school life at JHS. The school session ended May 22 for the undergrads.

Is your school year similar?

Your friends,

HOMEcoming AT HEBRON

Our homecoming game on Friday
 October 19, was one of the big-
 gest events of our school year.
 In the early afternoon there was
 a large parade presented by the
 school and community. Before the
 game the Queen, Doris Wiseman
 and her attendants, Mary Ann
 Bounds, Norma Lea Baumann, and
 Jackie Yontz arrived on the field.
 Then came the big moment when the
 ball was presented to the Captain,
 Bob Francis, along with the tra-
 ditional homecoming kiss. After
 all this the boys couldn't lose
 and were spurred to the final
 victory over Hartford.

MAGAZINE SALES

During the month of November
 the band sponsored a Curtis Mag-
 azine sale for purchasing band
 trousers. Two teams were chosen
 and named Left Leg and Right Leg.
 The winning team, Left Leg, with
 acting captain, Sue Holtsberry,
 defeated the Right Leg by \$19.00.

U N I O N

"Union High School!" "Oh, yes," you say. "That school has only a dozen students. What do you suppose they do with such a small enrollment? It must be a dull place."

On the contrary, it's a rather lively little school. True, we miss competitive sports, but we have our own school basketball teams, both for boys and girls. And with the boys furnishing a cheering squad for the girls, and the girls for the boys, the sounds from the gymnasium nearly equal those coming from a tournament game.

Early this year, the Freshmen gave a wiener roast for the rest of the high school and the seventh and eighth grades. Giving this party is always a part of the Freshmen initiation. The rest of it takes place at the creek near the school.

On October 5, the high school sponsored a dance for the service men and women of our community who had received their discharges or were home on leave.

The annual Halloween party with the traditional cider and doughnuts was next on our social program.

For the Junior dance, the weather man proved uncooperative, the evening being snowy and very cold. The music was excellent, however, and those attending the party reported the evening a very pleasant one.

On December 17, Mr. Weiser and the Seniors journeyed to Columbus to have the Senior pictures made at Baker's Art Gallery. While in Columbus, they made a tour of the State House, the A. I. U. Building, and Ohio State University.

Just before Christmas, we received an unexpected holiday when our school bus went over a cement abutment into the creek near the school. Fortunately, none of the students were in the bus at the time, and our driver waded out of the creek unhurt. The Fifth Ser-

vice Command lifted the bus out with a crane, and after a few days in the garage, it was back on the job.

The last event before the holidays was our Christmas party. We exchanged gifts, played games, and danced. For refreshments, we had cake and ice cream that we made in the morning.

Mrs. Wilson, our English teacher, left at the end of the semester to join her husband who had been overseas. We surprised her with a farewell party and presented her with a gift. Her classes were taught by Mrs. Kreidler beginning with the second semester.

The school entertained the Parent Teachers' Association in its first meeting of the year, by presenting a "Wildcat Willie" play. Next a Valentine party with cupids and hearts everywhere afforded an afternoon's relief from Algebra, Geometry, History, English, etc.

We are looking forward now to a school play, the Junior-Senior Banquet, and the usual activities of the Commencement season.

Do you still think that Union is a lifeless school? Add to the activities already mentioned, the times of discussion around the office table, Mr. Weiser's square one, not King Arthur's round one; Mrs. Sackett's field trips--to see birds, they said; the conversations while dresses, mittens, gloves, and scarfs were made with Mrs. Zwayer in Home Economics, and not by any stretch of the imagination can you call it a dull place.

This may be the last year for the high school at Union. In the twenty-two years of this high school's existence, it has served its purpose well. Among our 140 graduates are representatives in many professions. We are proud to have doctors, nurses, veterinarians, teachers, office workers, farmers, engineers, and artists in our Alumni Association.

KIRKSVILLE

Dear Readers,

As I pass through Kirk Hi this year, I see laughing seniors, who four years ago, were sad-faced freshmen. This has been a very exciting year for them with one new senior boy and four new teachers. This means more enjoyment for the girls and more competition for the boys.

Their football team was quite a success. They won four games out of six. Maybe, the coach, Mr. Fowler, had something to do with it.

A main event of the year was the carnival. After much chatting and judging a beauty was selected, Joan Kincaid. I must say that all of them were attractive.

What a basketball team these Kirk boys have made this year. After a slow start, our high point man, Harvey Sager, with the aid of the others went places. Then came the tournament -- ouch!

One of the joys of being a senior is having your picture taken. This means a day off although the lessons have to be made up. Then it is time to choose invitations, which brings graduation one step closer.

The most exciting time of the year comes. Spring is here and much confusion is made over plays. Finally one is selected and the play is over. The juniors count and recount their money for a very elaborate banquet for the seniors. Then comes commencement when they get their diplomas. They have reached one goal in life and they are now entering into a world of their own. They will always remember the happy times at Kirk Hi during their senior year.

I will leave this happy class until another class comes along next year that is as interesting as this one ^{a passing} by.

UTICA

STUDENT COUNCIL

"The meeting will now come to order." Yes, the student council has again assembled to discuss old and new business. The council has sponsored various activities and parties. A colorful homecoming in October, noon-dancing, a Valentine Formal Dance and intramural basketball are a few of the many council projects.

So it has been moved, seconded and passed that the council has done one grand job the past year.

HOME COMING GAME

We chose October 5, 1945 our Home Coming. Our day was complete with floats, Dolores Seavolt as queen, a victory over Pataskala and a dancing party in the gym in the evening to honor athletics.

VALENTINE DANCE

A valentine Formal Dance was sponsored by the Student Council for the student body. A king and queen were chosen for the affair. The auditorium was decorated with the valentine motif and the music was furnished by the Pataskala High School Orchestra.

MUSIC DEPARTMENT

The growing music departments at Utica High include classes in theory, Glee Clubs for boys and girls, as well as mixed chorus, band and a triple trio. We have representation in All-County Band Chorus, and Orchestra.

Mr. Lloyd Hickman, noted baritone was brought in for our enjoyment.

INK SPLASH STAFF

Ink Splash, our News gathering and writing group, works with the supervision of the editor of the local newspaper. Members have had a trip to inspect printing presses.

LIBRARY STAFF

The Utica High School library is cared for by the Library Staff which is made up of thirty six members. We mend and distribute all books, keep all records, and supply assistants at noon for the Public Librarian.

DRAMATICS

The dramatics at Utica High School are particularly interesting this year. The Junior Class Play, HEADED FOR EDEN, was a full cast, colorful comedy, weaving a thread of mystery through all the theme. This well-attended play was directed by Mrs. Tulloss.

Other productions of the school year will include A VOICE IN THE DARK, produced by the seniors and directed by Mr. Law, and a play produced by the Builder Staff and directed by Mr. Boyd.

F. H. A.

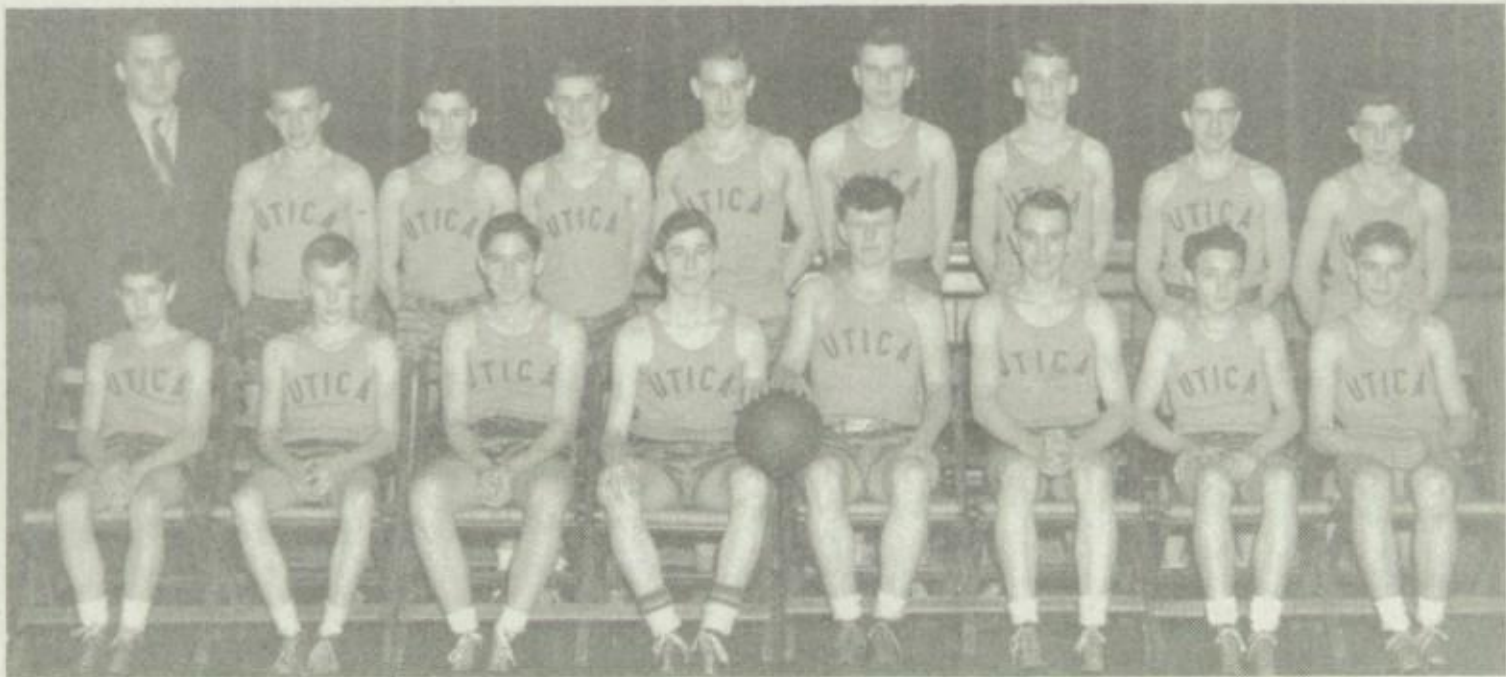

The Junior and Senior Home Ec. Class exhibited sewing, canning and baking at the Hartford Fair, won many first place ribbons, as well as some second and third awards. Our canning projects at the Gas Company Fair also took a good many prizes. We attended a 4-H Dress Review where one of our members took honors. Tentative plans include our annual fashion-show of finished clothing, and a trip to Washington, D. C., later.

F. F. A.

Utica F. F. A. has a superior farming program. Each member has a minimum of one crop and a live stock project. The outstanding are Beef Cattle, Corn and Swine. The chapter has thirty-five beef calves, fourteen sow and litter and twenty-five corn projects. It was Charles Mc Donald of our club who won second place in judging beef cattle, in the Columbus meet

GRANVILLE

Dear Friends,

In Granville this has been, as doubtless it has in every other school, the happiest year that any of us can remember. Our brothers, teachers and friends have nearly all returned, except those who can not come back now --or ever. There are a few more men teachers around the school lately, since two former teachers have returned from Service. The indescribable, feverish tension of the war years is relaxing now; and we consider it a good omen for the future that most people here are more interested in the United Nations than in the Atomic Bomb.

But you are probably wanting to know what we have been doing here in school. Well, we've been doing the usual things, much as you have: playing football, having assemblies, presenting plays and continuing our service and social club activities. Just now our interest is completely absorbed by basketball, the team having provided an exciting season after being brought up rather abruptly by the pre-Christmas flu epidemic. We approach the tournament with a loop record of 16 wins and 5 losses--and we might add, very high hopes.

Still speaking of sports, Granville was down in third place in football this year, though our feelings were somewhat assuaged by placing three of our players--Dirck Brown, Dick Cherry, and Frank Bowman--on the All-County First Team and Jack Piper and Bob Robertson on the Second Team. We considered Dick Cherry our most valuable player this year. Though we are losing several good men to graduation, we have every intention of giving you all hot competition in the Fall of '46.

Girl Reserves and Hi-Y members think they have had a good year. The two clubs have had candy and popcorn concessions at the basketball games and so have helped their finances considerably. Both Clubs have recently been enjoying vocational discussions by professional men and women of the community. Our other clubs, Delta Nu Kappa, dramatics, and Betty Lamp Club, home economics, have been contributing their share to our educational and social growth, while the Journalism Class has managed to publish a paper bi-monthly. Our Chorus has also been active, having had out-of-school engagements at Denison, the Kiwanis Club and the local Methodist Church.

You have been presenting some plays, naturally. So have we. In addition to short assembly plays, the Junior Class has offered publicly The Night of January 16. It was played to a good house and, we think, was very successful. As this is being written, the Seniors are selecting a play for their annual production in May.

Those of you who are in the County Honor Society know that Granville members Lois Dixey, Gintsy Rodes, Dirck Brown, and Bob McWilliams joined you in welcoming into the Society Bill Utter, Frank Bowman and Flora Lee Jenkins from our Senior Class.

Our space here is limited; therefore, we cannot say more this time. We will look for you at the various interschool functions. In the meantime, let us work together for the best scholarship, the best competition, the best sportsmanship, the best schools, and, best of all, a brave new world.

Sincerely,
Granville High Students

SENIORS

Twelve years ago, nineteen First Graders entered Hartford School, now three of this group plus one new member constitutes the 1946 graduates. The class, though small, has lofty ambitions just as the larger ones have had as they passed through Hartford High.

Plans for a trip to Washington have been under way since the first of the school year and several projects carried out to raise the necessary funds.

JUNIORS

The Juniors held the spotlight Jan.10 by putting on their play entitled, "Let Me Out Of Here" It was a roaring success.

HONORS SOCIETY

Three new members were initiated into the Honor Society this year, Senior, Ruth Porschet with two Juniors, Kathleen Curry and Joan Porschet. We are very proud of them.

CHEERLEADERS

Our cheerleaders have done a wonderful job this year. They were always on hand to snap the team out of it's discouragement and to bring back the old fighting spirit.

COUNTY STUDENT COUNCIL

The Senior representative for this year is Ruth Porschet with Jack Clayton as the member chosen from the Junior Class.

HARTFORD HI-LITES

This is a new periodical which has made an appearance in Hartford halls. It contains news of interest to all, from the first grade to the Seniors. The Staff:

AHS

Dear Hoiman,

Spring, 1946

It has been a whole year since I have written to you and during that time many exciting events have taken place.

Our football team ended up in second place again this year. We were defeated only by Utica, 19-12. The annual homecoming game was perfect. Martha Klema was homecoming queen, and Patty Parr, Edith Patton, Patty McConaughy and Nettie Yates were her attendants. We climaxed the evening with a victory over Granville. Bob Frankenberg and Dan McConaughy carried on as co-captains this year. Don Lott and Dave Beeson were placed on the all county first team with Walter Hoover, Harry Manger and Bob Frankenberg on the second team.

You should have attended our Freshman initiation, Hoiman. They really received the "works." There was plenty to eat, too, and I am sure everyone had a good time (except the Freshman).

We had a fine band again this year, Hoiman. It was under the direction of Mr. Kensch, and has played for all of the activities at our school. It also performed in the Citizen Columbus Parade.

Basketball holds the spotlight at this time. We have a fine team this year, with Hoover, Manger, Beeson, McConaughy, King, Dixon, Donaldson, Lott and Frankenberg all doing excellent playing. Dale Helmick is the new coach this year, and is doing a fine job. The varsity has won twelve out of fifteen games. The reserves came through with only two defeats for the entire season.

HOMER H S

TO WHOM IT MAY CONCERN:

In this year of our Lord, nineteen hundred forty - six, Homer High School sends forth from her portals the fiftieth graduating class.

The officers of this year of Golden Jubilee are the following: President, Jean Myers; Vice - President, Joe Warner; Secretary - Treasurer, Dorothy Dixon.

Due to an untimely visit of Mr. F. Lu Bugg we had an unhealthy and unhappy ten day vacation as 1946 replaced the departing 1945. As a consequence of his visit we found ourselves celebrating the Holidays during the month of January. Notable among the events were the beautiful rendition of "The Messiah" by the girls' chorus and the annual Christmas festive celebration held by the Junior and Senior Hi.

The graduates lack their former sentimentality. Everyone had Valentine boxes--all but the sophisticated seniors whose juvenile tendencies have turned to senile prognostications.

Wednesday, February 20th, witnessed the shooting of the county groups. Our sheep were driven to the fold in Newark to combine with others where the flock presented its annual offering on the sacrificial altar of Lickingana.

The Annual Athletic Ban-

quet was held in the local gym on March fifteenth. Along with the honor and respect of the audience the eligibles were awarded their letters.

May fourth--Oh, Happy day! We are now Seniors to be waited upon. The juniors--plebeians--graciously entertained the seniors--patricians--during the Junior - Senior Banquet held at the Southern Hotel in Columbus. It was a delightful occasion which will hold a prominent place in our memories.

In solemn array the seniors listened to the Baccaulaureate services Sunday eve, May nineteenth. At this time they were brought to the realization that their school days at Homer Hi were nearing their close.

This was further intensified when they found themselves seated on the stage of the auditorium which was decorated in the class colors--royal blue and white. The class flower, the white rose, was a stunning contrast to the blue gowns. The class motto, "Tonight we sail; where shall we anchor", is evidence of our insatiable ambition.

It is with reluctance that our sails are unfurled, we leave the safety of the harbor, and launch into the uncharted sea. However, our craft is seaworthy, our crew is well equipped for the voyage. Thus we face the future with confidence, courage, and faith.
